February 1st 2021

Dear Parents of Junior Infants 2021,

The school community of Scoil Mhuire, Machaire Airne would like to extend a warm welcome to you and your child as you join our school community here in Magherarney.

Following the commencement of The Education Act 2018 [Admission to schools Section] all schools must now follow a new admission procedure as outlined in their school's Admissions Policy. [see school website]

Some adjustments to the original timeframe have been necessary due to the present school closure as a result of Covid – 19.

The relevant 'Request for Admission' forms are available on our school website www.magherarneys.com or they can be requested from the school by emailing info@magherarneys.com. Please type 'Admission Form Request,' in the subject bar of your email. The forms in turn must be printed, completed in full and **returned to the school by post no later than February 28th 2021.**

Should you require a hard copy of the form to be posted to you, please request this via the school office by emailing, info@magherarneys.com with 'Admission Form Request' in the subject bar.

Once completed forms are received the school will communicate with you, via email, **an offer of admission by March 12th 2021** and you must then confirm your intention to **accept the offer of admission in writing by March 26th 2021.**

It is with great disappointment that we cannot hold our annual Open Day this year where we would normally welcome families and most importantly the children so that they can see the school, meet their teacher, the principal, each other and of course venture into our infant classroom for a morning of fun. The distribution of the full admissions pack and relevant school information, normally given to families on this day, will be circulated to each family upon confirmation of school place acceptance. For now however we will commence this stage of the process.

We hope your child/children enjoy their time with us at Scoil Mhuire, Magherarney and we look forward to each one taking their place as important, valued members of our school community.

Mise le meas,

Siobhán Payne

Príomh Oide
